Design Projects

· Use of home automation for Indian families

Ongoing

Project Guide: Dr. Pratul Kalita

The project is about finding innovative context of use for home automation within Indian families. The project has three verticals of study- technology and devices, user behaviour and patterns, interactions and experience. The goal is to increase social capital among family members while making their daily life easier

Table top product for ethnic restaurants

Project Guide: Dr. Sougata Karmakar

Apr 2019

Semester thesis project with a theme based product approach

- Study of ethnicity, culture and visual aesthetics through observation in museum,, available products and vernacular movies
- Blend of simplicity, ethnicity and modern design
- Attempt to introduce the product concept in Supply Chain Management (SCM)

· Systems analysis of SCM for bamboo handicraft products

Course by: Dr. Pratul Kalita

Mar 2019

A team project to understand how bamboo handicraft products are made and sold. My specific contribution to the project is

- Gap model: Identifying possible systems and subsystems in SCM
- Raw material stock and flow model
- Conceptualizing a possible solution for the screened problem statement

· Campus Broadcasting System website

https://github.com/gore2016/CBS-website

Front-end development with materialize framework. Basic understanding of working of back-end with front-end

Software skills

- Adobe: Illustrator, Photoshop, Premier Pro, After effects*
- 3-D software: Maxon Cinema 4-D, Solidworks, Rhino*, Blender
- Web technologies: HTML, CSS.
- Miscellaneous: Audio rigging, networks basic.
 - * Elementary proficiency

Positions of Responsibility

- Core team member of Abhilasha, Ishanya: Design week by DoD Planned different activities to get school children from 30 schools and managed event venues.
- Audio head, Core team, Virasat, SPIC MACAY
 Coordinate with artists to manage stage, stage presentation and organize audio rigging

Extracurriculars

- Convocation 2018: Stage organization, management and part of streaming for institute convocation
